The INCOBRA team is happy to invite Brazilian and European SMEs and innovation actors to present Expressions of Interest for Travel Vouchers to attend the INCOBRA Brokerage Event, in the context of the 16th ANPEI Conference of Innovation, taking place in Expominas, Belo Horizonte from 31st October to 1st November 2017.

INCOBRA is a EU funded project which aims to increase and enhance Research & Innovation (R&I) Cooperation Activities between Brazil (BR) and European Union (EU) R&I actors.
This INCOBRA Brokerage Event is an unique opportunity for BR and EU innovation players to meet and explore promising R&I cooperation opportunities.
Focusing on Advanced Manufacturing and Nano materials the event will comprise:

- B2B / B2I meetings to exchange and explore new cooperation opportunities in Advanced Manufacturing and Nano materials;
- Parallel Sessions to disseminate the Cooperation Scenarios;
- H2020 information training in cooperation with the CEBRABIC project;
- Plenary to raise awareness on the Horizon 2020 and its opportunities: launch of the new H2020 Work Programme by the EU Delegation to Brazil.

INCOBRA will support interested SMEs and innovation actors from both EU and Brazil by providing limited travel vouchers, enabling their participation to the Brokerage Event and the 16th ANPEI Innovation Conference.

Interested SMEs need to fill in an Expression of Interest by September 29th 2017 (11.59 pm CET – 19.59 pm BRT).
